Darshan Gowda V

Bengaluru, Karnataka | +91 7760392509 darshangowdav2003@gmail.com | linkedin.com/darshangowdav

SKILLS

- **Programming Languages:** Python, C, HTML, CSS, JavaScript
- **Database Management:** MySQL, phpMyAdmin
- Machine Learning: Data analysis, K-Nearest Neighbors (KNN), TensorFlow, Scikit-learn
- Networking: TCP/IP, DNS, HTTP, FTP
- Tools: XAMPP, Jupyter Notebook, GitHub, VS Code
- Languages: English (Fluent), Kannada (Native), Hindi (Proficient)

PROJECTS

Recipe Finder Web Application

- Developed a web application using HTML, CSS, and JavaScript to help users find recipes based on available kitchen ingredients.
- Implemented a user-friendly interface for easy navigation and recipe search.

Basic Food Delivery System

- Created a basic food delivery system with HTML, CSS, and JavaScript, connected to a MySQL database.
- Enabled users to browse, add, and remove food items through an intuitive interface.
- Added features for restaurants to manage food categories, enhancing the system's flexibility and usability.

EXPERIENCE

Karunadu Technologies Private Limited | Bengaluru

Oct 2023 - Nov 2023

- Developed a project called Heart Attack Prediction using the K-Nearest Neighbors (KNN) algorithm.
- Engineered and deployed machine learning models using Python to accurately predict heart attack risks based on analysis of 1000+ medical records; achieved a 95% accuracy rate in risk identification
- Gained hands-on experience in data preprocessing, feature engineering, and model evaluation.
- Created a user-friendly interface for inputting health data and displaying prediction results.

EDUCATION

Bachelor of Computer Science Engineering, Sapthagiri College of Engineering CGPA: 8.6

Expected 2025

Pre-University College, widia Poorna Prajna PU college

2019-2021

Percentage: 83

CERTIFICATIONS

- AI900: Microsoft Certified: Azure AI Fundamentals
- Google: Professional Data Engineer (Preparation in progress)
